Get the Job Done Right with The Handy Light Construction Range

Light Construction

Looking to tackle DIY projects? Our handy light construction machines are here to assist you.

Whether you're landscaping, building a patio, or extending your home, our petrol-driven compactor, electric cement mixer, and petrol mini transporter offer top performance and make your job easier and faster. With minimal effort, you'll achieve professional results and save valuable time. Say goodbye to back-breaking labour and hello to the convenience of our reliable and efficient machines.

Tracked Dump Truck

THLC09715LON

Transport heavy loads effortlessly

Essentially a powered barrow, The Handy THLC09715 has been designed to take the strain out of heavy-duty transportation-jobs and is ideal for shifting large volumes of logs, paving-slabs, rocks, gravel and sand.

Specifications

Engine	Loncin	Tub Length	86cm
Power	208cc / 4.8KW	Tub Width	63cm
Gears	3 Forward / 1 Reverse	Tub Depth	29cm
Load Capacity	300kg / 661lbs	Tub Tipping	Yes
Drive	Caterpillar Tracks	Weight	179kg
Steering	Dual brake lever	Warranty	2 years

Features & Benefits

GEARBOX

Four speed gearbox that features three forward gears as well as a reverse gear.

DESIGNED FOR ANY SURFACE

The tracked design of the dump truck allows traction across any surface no matter the conditions.

ONE HANDED TIPPING

When the load reaches its destination, simply release the bed lever to tip out the contents.

Cement Mixer 125L

THLCHCM

Perfect for mixing cement at home or on the site

The high-quality but affordable Handy THLCHCM Electric Mixer will prove a great buy if you're regularly needing to mix less substantial amounts of cement, but don't want to deal with the hassle of operating, storing and transporting a bulky petrol-powered machine.

Specifications

Motor	240 V	Drum Speed	26.6 rpm
Power	550 W	Transport Wheels	Yes
Drum Capacity	125 L	Dimensions (cm)	W120 x L71 x H140
